

2017 Retirement Plan Benchmarking Report

How does your retirement plan stack up when compared to others? This report breaks down the metrics by plan size. If you're interested in finding out what plan features other companies are providing, keep reading. A few key sections included are: "auto" features, participation and eligibility, employer match, plan investments, and fees and expenses.

[Download the 2017 Plan Benchmarking Report](#) which is based on the most recent PLANSPONSOR Defined Contribution (DC) Survey.

The PLANSPONSOR 2016 Defined Contribution (DC) Survey results incorporate the responses of 4,219 plan sponsors from a broad variety of U.S. industries.
