First Time Logging In

Once your account access has been set up by your Sentinel Group representative, you can create an account on the employer portal. To do this, visit the Employers home page at sentinelgroup.com and select the "log in" option. Follow the steps below to create your account.

1. Enter your email address
2. Check your inbox for an email containing your link to the Sentinel Portal
3. Choose your method of multi-factor authentication (MFA) to finish setting up your account
    a. Text message
    b. Authenticator app
4. Enter the verification code once it is received

View the guide below to learn more about logging in for the first time:
