Navigating the world of Flexible Spending Accounts (FSAs) and Health Savings Accounts (HSAs) can sometimes feel like exploring uncharted waters. But fear not – we wanted to share a treasure trove of knowledge to help you unlock the full potential of your FSA or HSA!

The Internal Revenue Service (IRS) holds the key to understanding eligible expenses. You'll find a wealth of information on their official website, specifically in IRS Code Section 213(d). They have an all-inclusive list of what expenses are eligible, and you'll be amazed at what you can discover. To make this journey even more exciting, here's a glimpse of the kind of expenses you might run into:

- ✔ **Doctor's visits**
- ✔ **Prescription medication**
- ✔ **Dental, vision care**

Imagine these expenses as treasures waiting to be discovered, and your FSA/HSA is the key that unlocks the chest. It's not just about managing your health; it's also about saving your hard-earned dollars!
