

## Meet David Mirabito

# David Mirabito

VP, Actuarial & Consulting Services

### About Me

David joined Sentinel in July 2005. Professionally, he is most proud of passing more than 20 exams during his career to earn his prestigious designations. He enjoys the analytical nature of his job, explaining "it's like puzzle solving".

David's main job responsibilities include: oversight of actuarial consulting group; reviewing valuations and compliance testing results; performance of actuarial valuations in accordance with financial accounting standards; and acting as resource and subject matter expert with respect to retirement plans and compliance.

### Educational Background & Experience

- Clark University – BA
- Enrolled Actuary
- Fellow of the Society of Actuaries
- Member of the American Academy of Actuaries
- CFA Charterholder

### Out of the Office

David enjoys mountain biking, road cycling, running and spending time with the family.
