

Meet Meghan Keene

Meghan Keene

Manager, Health & Welfare Service Team

About Me

Meghan joined Sentinel in June 2023, previously working for another TPA for five years. Her most recent role was managing employee benefits. Meghan's main job responsibilities include: training, helping and advocating for her team and making things easy for clients. She most enjoys the great people and says "I couldn't do my job without the expertise and helpfulness of my team!".

Educational Background & Experience

- Bachelor of Science, Psychology — University of Florida
- Flexible Compensation Specialist (FCS)

Out of the Office

Meghan enjoys DIY projects and designing spaces in her home.
